

## Capstone screenshots:

Home/Products page:

## Cart page:

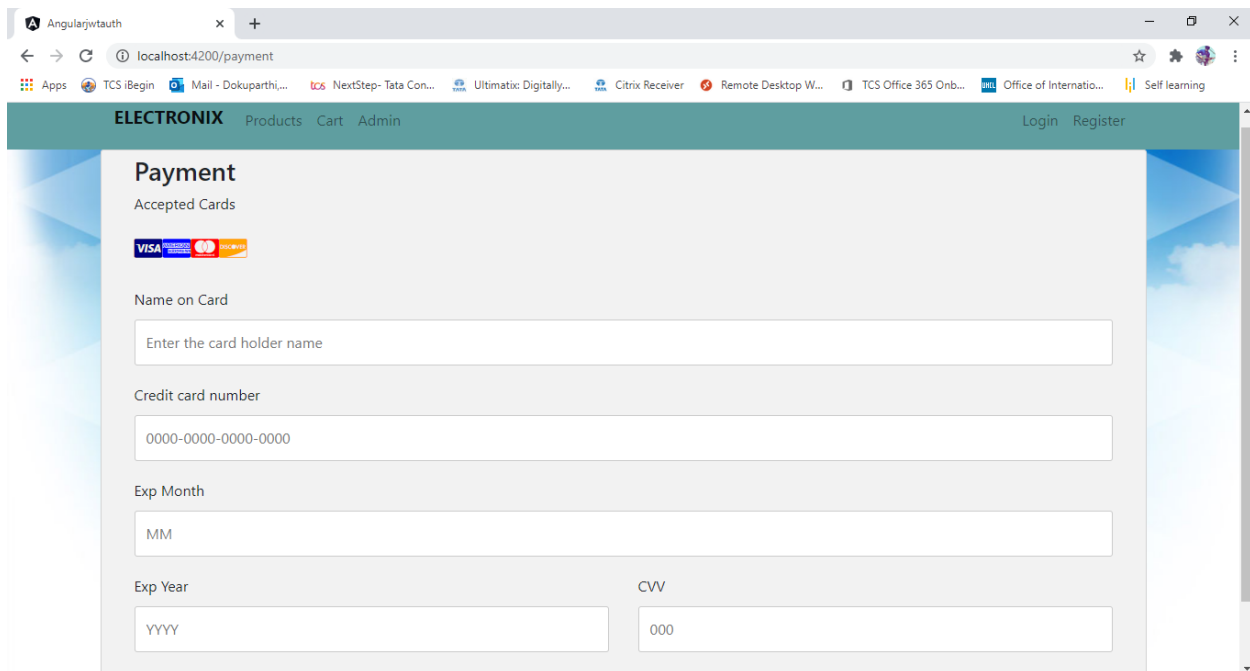

The screenshot shows a web browser window with the URL `localhost:4200/cart`. The page header for 'ELECTRONIX' includes links for 'Products', 'Cart', and 'Admin', along with 'Login' and 'Register' buttons. The main content area is titled 'Items in the cart' and features a table with the following data:

Product ID	Name	Photo	Price	Quantity	Sub Total	Edit/Delete item
101	OnePlus 8 Mobile		55000	1	55000	
103	Lenovo i9 Laptop		85000	2	170000	
100	Sony smart androidTV		110000	1	110000	
					Total	335000

Below the table, there is a 'Continue Shopping' link and a green 'Proceed to checkout' button.

## Payment page:

The screenshot shows a web browser window with the URL `localhost:4200/payment`. The page header for 'ELECTRONIX' is consistent with the cart page. The main content area is titled 'Payment' and includes the following sections:

- Accepted Cards:** Displays logos for VISA, MasterCard, and American Express.
- Name on Card:** A text input field with the placeholder 'Enter the card holder name'.
- Credit card number:** A text input field with the placeholder '0000-0000-0000-0000'.
- Exp Month:** A text input field with the placeholder 'MM'.
- Exp Year:** A text input field with the placeholder 'YYYY'.
- CVV:** A text input field with the placeholder '000'.

Register

Once the user logs in, he can see the username, manage companies and logout options in the header as follows:

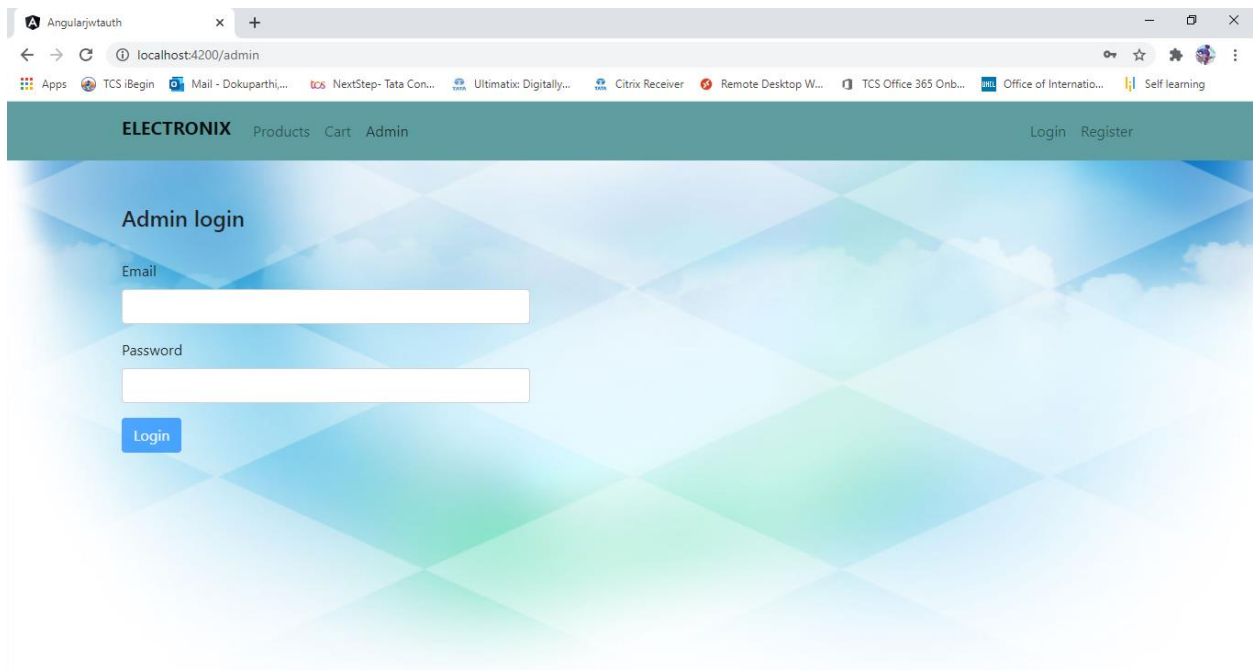

Clicking on logout takes the user back to login page where a message ‘You have been logged out successfully’ is seen:

The screenshot shows a web browser window with the URL `localhost:4200/auth/login?loggedOut=success`. The page has a dark teal header with the text "ELECTRONIX" and navigation links "Products", "Cart", and "Admin". On the right side of the header are links for "Login" and "Register". The main content area has a light blue background with a geometric pattern. It features a "User Login" section with a green message box that says "You have been loggedout successfully". Below this are input fields for "Email" and "Password", and two buttons: "Sign In" (blue) and "Register new user" (green).

Admin login page:

The screenshot shows a web browser window with the URL `localhost:4200/admin`. The page has a dark teal header with the text "ELECTRONIX" and navigation links "Products", "Cart", and "Admin". On the right side of the header are links for "Login" and "Register". The main content area has a light blue background with a geometric pattern. It features an "Admin login" section with input fields for "Email" and "Password", and a blue "Login" button.
